

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Gardiner, Maine.—"I was a great sufferer from a female disease and weakness. The doctor said I would have to go to the hospital for an operation but I could not bear to think of it. Lydia E. Pinkham's Vegetable Compound completely cured me in three months."—Mrs. S. A. Williams, R.F.D. No. 14, Box 39, Gardiner, Me.

So. West Harbor, Me.—"I suffered for years with painful periods, backache, nervousness, irregularities and inflammation. I consulted two physicians and one advised me to have an operation. I was completely discouraged when I decided to try Lydia E. Pinkham's Vegetable Compound, and it has made me a well woman. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. Lillian Robbins, South West Harbor, Me.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

CAUSE OF "FREE SPEECH" OF PRIME IMPORTANCE

An I. W. W. Preferred Loafing in Jail to Supporting His Family

Spokane, Nov. 9.—Devotion to the teachings of the Industrial Workers of the World leaders prompted Nick Brenn, a German born laborer, who has a wife and two children, to ignore for a time the offer of Police Justice S. A. Mann to allow him to return and support his family instead of fighting for "free speech." Brenn, with forty fellow Industrial Workers of the World, was tried in police court this afternoon on disorderly conduct charges.

Brenn told the court that one of his children was near death's door, but that the cause of "free speech" needed him more than his family. The court pleaded with the man. He finally consented to return home with the proviso "that in case he was needed to go to jail for the Industrial Workers of the World's cause, he would be called upon." A thirty day sentence was suspended.

Anna Arquest, Isabelle Huxtable and Mrs. Edith Furnette, women workers in the ranks of the I. W. W., were dismissed with mild reproofs from the court. Forty-one members of the organization charged with disorderly conduct, were sentenced to thirty days in jail today. Twenty-nine men were foreign born and made their pleas in broken English.

MORE ROOM NEEDED

Olympia, Nov. 9.—Secretary of State Howell, acting governor in the absence from the state of Governor Hay, tonight received permission from the war department at Washington for the Spokane police to place the Industrial Workers of the World speakers, who have been arrested for speaking on the streets, in the guard house at Fort Wright. This was done in order to relieve the congested condition of the Spokane jail.

WHAT MAY HAPPEN AMONG THE DEMOCRATS

A Rumored Report of Move to Overturn the Organization Today

It is understood there will be some doings in the democratic camp today in the course of the meeting of the central committee, for which a call was issued by Chairman Dillon a couple of weeks ago. The object of the meeting was not understood at the time by the rank and file of the democracy and not even by the chiefs of the radicals. It was supposed by them, however, that the purpose was to strengthen the stranglehold the conservatives secured on the party at the time of the last territorial convention.

But lately the radicals, it is said, have undertaken to give the meeting an object entirely separate and apart from any purpose the chairman may have had in calling it. It is reported on excellent democratic authority that an effort will be made to reorganize the committee and put the avowed friends of Mr. Bryan in control. This movement, while it might have been expected to start in this county, is said to have had its origin in Gila county, where the sentiment in favor

of Mr. Bryan has become an affection since his announcement at the time of his visit to Phoenix that on his return to the territory this winter he expected to spend some time at Globe. If the insurgents shall be able to muster sufficient strength to take charge of the organization, no one outside their own ranks knows just where it is. They can expect no important accessions from Pima or Cochise, and it is unlikely that Graham will lend any assistance. Yavapai certainly will not.

There has been more or less dissatisfaction in Yuma with the organization since it was formed, and there is a close relation between the democrats of that county and the radical element of the party in this county.

AT THE THEATERS

MAJESTIC

The management of the Majestic announces a change of bill for tonight. The play will be "Weiner and Sultzer in the Army," a musical comedy. Lots of music, much comedy and pretty girls. A specialty worthy of mention will be Chas. Kelly's song, "If There Weren't Any Women in the World," which is repeated by request.

COLISEUM

The Coliseum has a strong bill for fair week. There are the usual good pictures, also four special acts. Dan Barclay sings. He also dances. His dancing is very clever. The Leighs are jugglers of the highest type. They are of the class that adorns the Orpheum circuit, and are exceptionally clever. Mr. Sanders presents a few topical songs.

Silk and Cooper have a spectacular sketch, "Raffles—The Devil and the Affinity," which is well worth while.

THE AIRDOOME

"The Great McEwen," hypnotist and magician, Mr. McEwen continues to draw and please large audiences. He is better than any in his line who have visited Phoenix.
